Phygital Telepresence for car rental

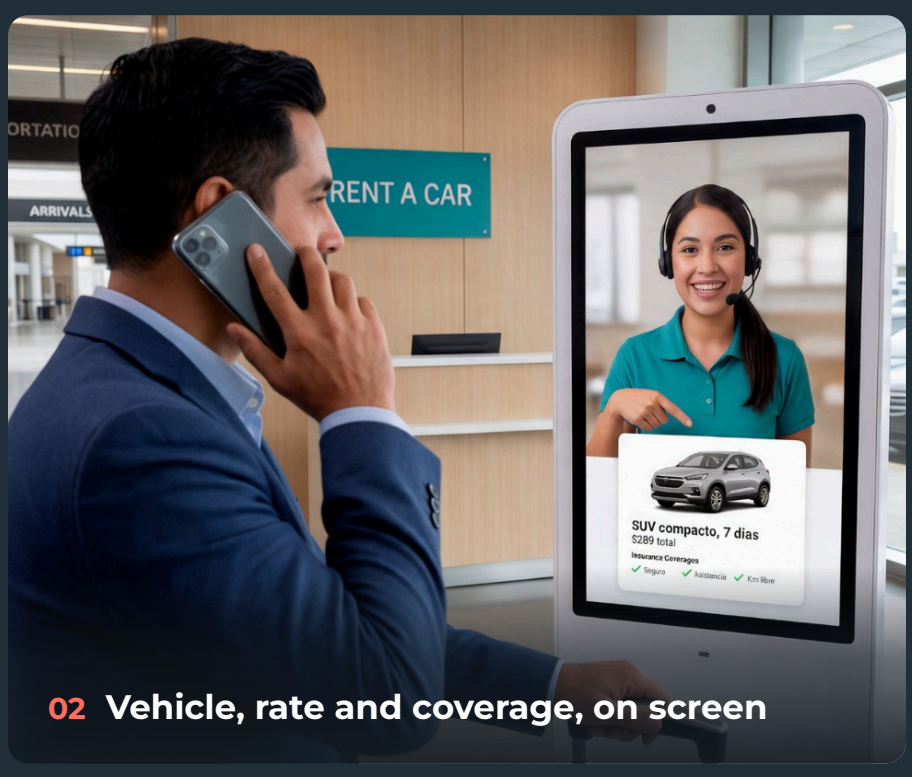

#Phygital Car Rental

Travelers scan the Video Kiosk QR code with their phone and, within seconds, the first available agent from the network or the Contact Center answers on video.

Booking, contract and coverage in the same conversation, with secure recording, after hours too, and no lines at the counter.

01 Video Kiosks at the airport, connected in seconds

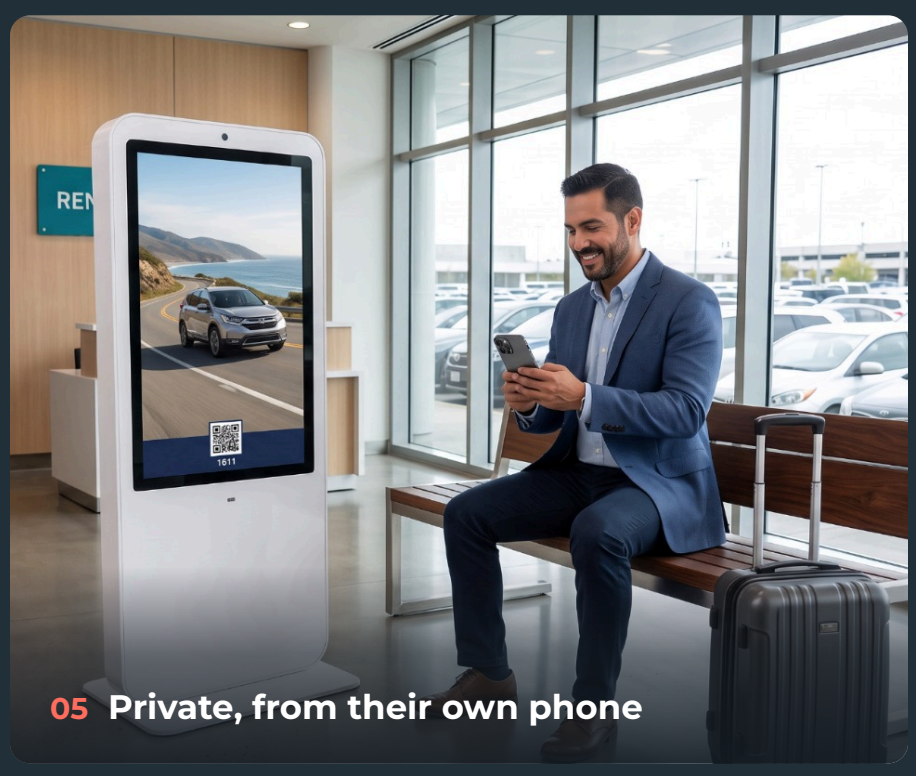

02 Vehicle, rate and coverage, on screen

03 Handled by Remote Agents

04 Or from the Contact Center

05 Private, from their own phone
