Phygital Telepresence for hardware stores and home centers

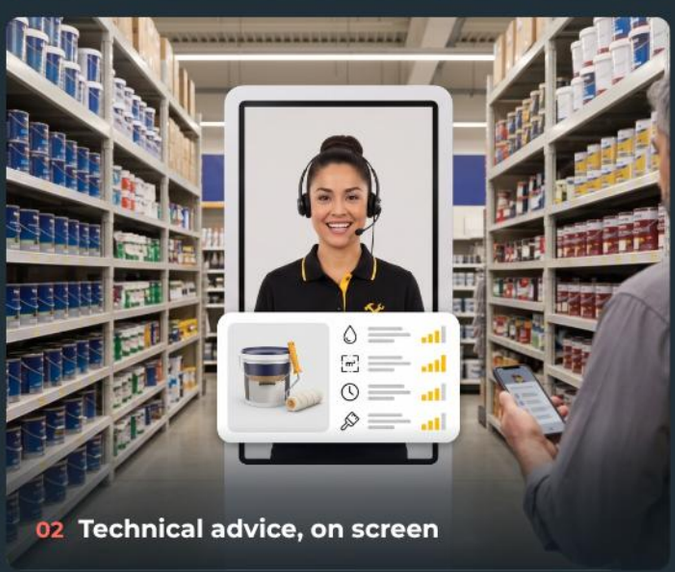

#Phygital Hardware

Customers scan the Video Kiosk QR code with their phone and, within seconds, the first available technical expert from the chain or the Contact Center answers on video.

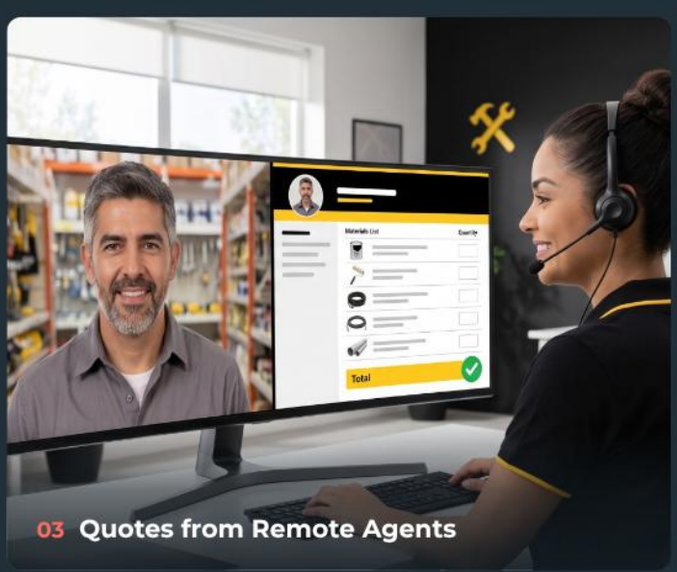

Expert advice, project quotes and cut orders in the same conversation, without relying on a specialist in every aisle or store.

01 Video Kiosks in the aisle, an expert in seconds

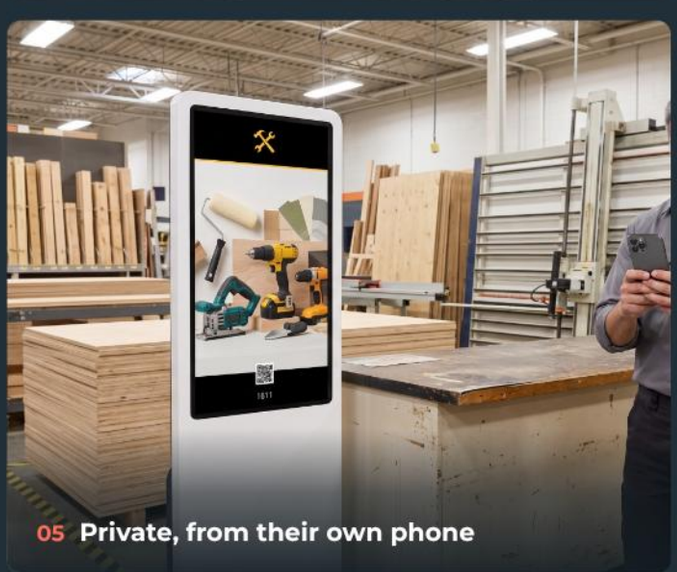

02 Technical advice, on screen

03 Quotes from Remote Agents

04 Or from the Contact Center

05 Private, from their own phone
