Phygital Telepresence for insurers

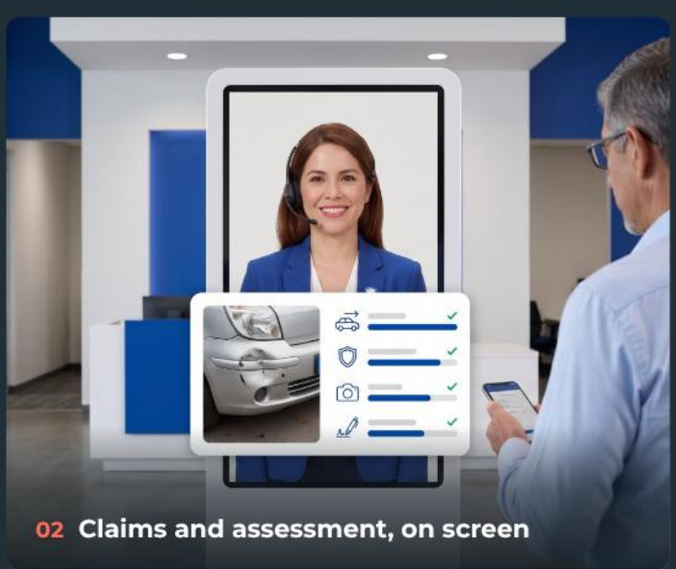

#Phygital Insurance

Policyholders scan the Video Kiosk QR code with their phone and, within seconds, the first available advisor from the network or the Contact Center answers on video.

Claims filing, policy reviews and signatures in the same conversation, with secure recording and without relying on an advisor on site at each office.

01 Video Kiosks in the office, connected in seconds

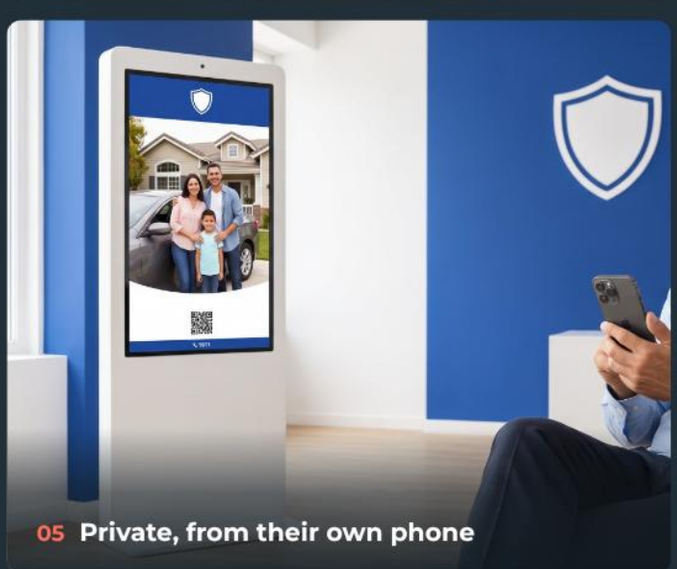

02 Claims and assessment, on screen

03 Handled by Remote Agents

04 Or from the Contact Center

05 Private, from their own phone
