Virgo Healthcare

Quick Start Guide

Interactive **Powers**

5 Steps to Quick Start!

Customization is an important value for your customers:

1. Select your Service Name (length 8-16)
2. Check your Internet Access & Web Browser (for Desktop & Mobile Devices)
3. Customize your Service (with Hyper Customization)
4. Customize your Waiting Room (with Ads slider)
5. Connect your PayPal Checkout (Business)

Service Name

Please, select your own Service Name (unique for Virgo):

1. Select first your own **Service Name** (length 8-16)
2. A default URL is provided by Interactive Powers
3. Change your URL (selecting some thing like: video.yourdomain.com)

1

Service Name

<https://video.yourdomain.com>

Contact your ISP and Domain Provider
